## **NBMDA Provides Members Human Resource Solutions**

CHICAGO – The North American Building Material Distribution Association (NBMDA) is pleased to announce details of a partnership with Insperty, a leading human resources services provider. Insperty offers an array of HR and business solutions designed to help improve business performance. Through this partnership, NBMDA will deliver actionable solutions to address members' biggest human resource challenges.

"We are excited to offer our members products and services to enhance their management of human resources through our partnership with Insperty," said Kevin Gammonley, executive vice president of NBMDA. "With access to Insperty's expanded offerings, members will have direct access to exceptional tools to help them stay ahead of the curve with their HR needs. Members will be able to better run their business, by addressing government changes and tackling their human resource obstacles."

Backed by more than 30 years of HR experience, Insperty's offerings relieve the many complicated and time-consuming tasks, so businesses can run better, grow faster and be more profitable. Products and services available to members through the partnership include:

- Workforce Optimization
- Payroll Services
- Recruiting Services
- Employment Screening
- Retirement Services
- Insurance Services
- Performance Management
- Organizational Planning
- Expense Management
- Time and Attendance
- Human Capital Management
- Financial Management
