## **NBMDA Recognizes Educational Development Program Gold Donors**

CHICAGO – NBMDA, the premier trade association representing wholesale distributors of specialty building materials, kitchen & bath products and woodworking materials in North America, is pleased to announce the gold level donors of the NBMDA Educational Development Program.

The Educational Development Program provides funding to support the industry's strong need for additional training resources at competitive prices. With the support of these donors, NBMDA is able to develop and offer modern, cost-effective, and dynamic solutions for employee training that benefit the distributors that participate and the industry as a whole.

"NBMDA's educational resources provide our staff with tools, relevant industry information and unique training opportunities allowing them to stay ahead of the curve. By investing in my team, I am able to drive growth for my distribution business," Rick Turk Distribution Manager of Metro Hardwoods and NBMDA President shared.
