## **NBMDA Announces New Member Companies**

CHICAGO – NBMDA, the premier trade association representing wholesale distributors of specialty building materials, kitchen & bath products and woodworking materials in North America, is pleased to welcome six new manufacturer members.

**CSL Silicones Inc.** has thirty years of experience as a manufacturer of Room Temperature Vulcanizing (RTV) silicone products. CSL Silicones Inc. is located in Guelph, Ont. and has extensive knowledge and expertise in polysiloxane technologies.

**Garnica Plywood** is the first international popular plywood manufacturer in terms of volume and quality. For more than 35 years, Garnica Plywood has observed the advantages of poplar in comparison to other species. They operate out of Eugene, Ore.

**Greenline Industries** is a world-class manufacturer of high quality custom wood veneer panels for architectural millwork, store fixture and furniture industries. Greenline Industries is located in Beaufort, S.C.

**IVM Chemicals SRL – Milesi** is a leading company in Europe, specializing in wood coatings. IVM Chemicals is part of IVM Group and is considered one of the high tech segments in the field of coatings and varnishes. IVM Chemicals is based in Italy.

**King Plastic Corporation** is a manufacturer of branded and commodity sheets, slabs and massive shapes for a variety of applications. Based out of North Port, Fla., King Plastic's branded products are known worldwide for uncompromising quality and precise tolerances.

**Panel Processing Inc.** was founded in 1971 and has grown to be the largest panel fabricator in North America. Panel Processing Inc. is based in Alpena, Mich. and has grown to nine manufacturing plants in five locations.

**TAPCO Companies, Inc.** is a leading producer of superior commercial and residential construction products. Tapco has a solid reputation for quality consistency, service and supply and are based out of Sharon Center, Ohio.

"We are excited to see our membership grow in the first half of 2015," said Kevin Gammonley, executive vice president of NBMDA. "These seven new manufacturer members further deepen the quality and value of the NBMDA community."

Distributors, manufacturers and service providers looking to learn more about NBMDA membership are encouraged to visit [www.nbmda.org](http://www.nbmda.org).

###

**About NBMDA**

NBMDA is a trade association representing the leading wholesale distributors of wood panels, surfacing materials, cabinet hardware, finishes and related products. Membership is comprised of distributors and manufacturers that serve the independent building material, lumber, and kitchen and bath dealer, regional and national home centers, as well as those that serve production companies involved in cabinetry, architectural woodwork, stock woodwork, store fixtures, solid surface fabricating, plastics fabricating, general and specialty woodworking industries.
