NBMDA Announces Educational Development Program Gold Donors

CHICAGO – The North American Building Material Distribution Association, NBMDA, recognizes the gold level donors of the NBMDA Educational Development Program.

The Educational Development Program provides funding to support the industry's strong need for additional training resources at competitive prices. With the support of these donors, NBMDA is able to develop and offer modern, cost-effective, and dynamic solutions for employee training that benefit the distributors that participate and the industry as a whole.
