## **NBMDA Welcomes New Member Companies**

CHICAGO – NBMDA, the premier trade association representing wholesale distributors of specialty building materials, kitchen & bath products and woodworking materials in North America, is pleased to welcome two new distributor members and three new supplier members.

### **Distributor Members:**

**Jutras Distribution Internationale** is a leading distributor and importer of wood and decorative panels based in Longueuil, Quebec.

**UCS Forest Group** offers complete lumber management and specialty wood solutions through their four companies in the United States and Canada. They are based in Mississauga, Ontario.

### **Supplier Members:**

**Weyerhaeuser MDF** is located in Columbia Falls, Montana and produces both medium and high density fiberboard.

**CoverUSA** is an importer operating out of Chicago and providing distributors with melamine panels, MDF board, flooring and porcelain slabs.

**Poi-Kres Edwood**, a family owned and operated business, is a leading manufacturer of solid wood panels, kitchen worktops and furniture components. They are located in Biala, Poland.

"We are thrilled to see the continued growth in our organization's membership in the second half of 2016," said Executive Vice President Kevin Gammonley. "The addition of these five new companies further enriches the value that NBMDA's community provides through an expanded network of members and the opportunity to generate new partnerships."

Distributors, manufacturers and service providers looking to learn more about NBMDA membership are encouraged to visit [www.nbmda.org](http://www.nbmda.org).

###

**About NBMDA**

NBMDA is a trade association representing the leading wholesale distributors of wood panels, surfacing materials, cabinet hardware, finishes and related products. Membership is comprised of distributors and manufacturers that serve the independent building material, and kitchen and bath dealer as well as those that serve production companies involved in cabinetry, architectural woodwork, stock woodwork, store fixtures, solid surface fabricating, plastics fabricating, general and specialty woodworking industries.
